LINEAR Light System

The linear lighting systems feature a strong profile for a nearly hair thin connection in continuous runs. Available in lengths of 2', 3', 4', 6', and 8', as well as custom options. High efficiency (115-130 lm/w) is delivered, with CCT switchable from 3000K to 4000K to suit different indoor settings. Various designs can be formed using L, X, and T joints, with full mounting options pendant, wall, surface, as well as wide range of accessories to provide maximum flexibility.

SLEM 2.4"

The 2.4-inch linear LED ceiling light offers efficient, glare-reducing lighting, available in 2 to 6-foot lengths with continuous run, the and hospitality interiors. durable aluminum housing compliments a sleek aesthetic, perfect for upscale residential, commercial.

Lighting Solution

CIRCADIAN LIGHTING (1600K-12000K)

Color temperature ranges from clear blue sky at 12000K to candlelight at 1600K. Circadian Lighting closely follows the Planckian locus and can replicate vast colors of natural light.

UGR≤15

Innovative optics ensures very low UGR while guaranteeing $\geq 120\text{lm/W}$.

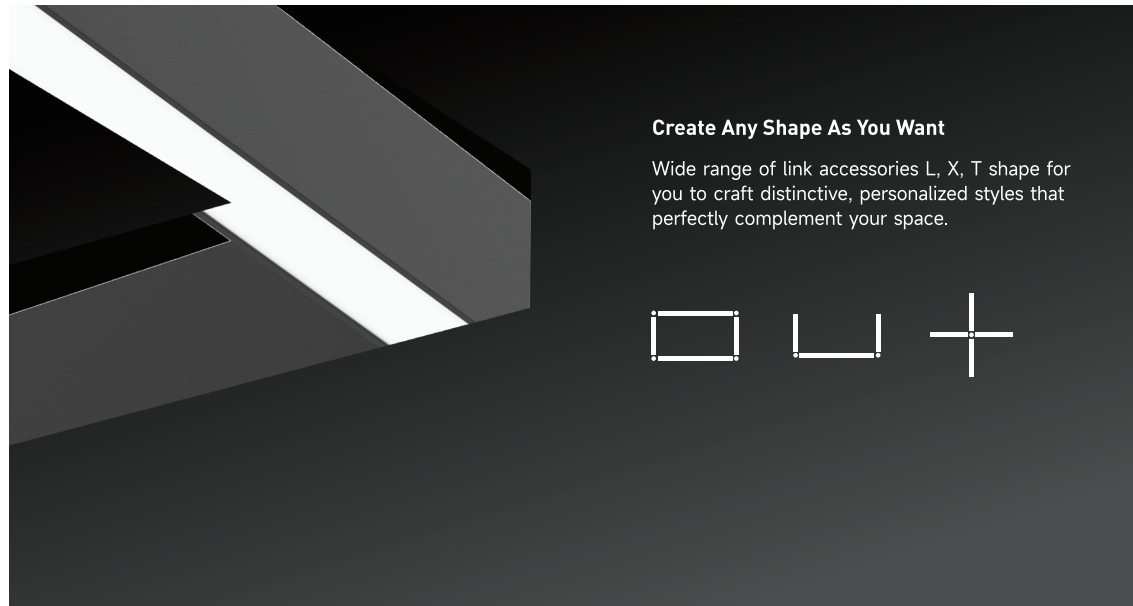

UP/Down Light

Uniform Light Emission Without Shadowed or Dark Areas.

Structural Features

One-Step Splicing For Rock-Solid Reliability

Encore's exclusive patent-pending splicing enables a secure, minimal-seam connection in seconds with just one screw.

Push To Pop-Off

Our tool-free, push-click mechanism with spring design enables installation and removal in seconds. Rigorously tested over tens of thousands of cycles, it guarantees long-term reliability, and directly solving the installation challenges of traditional linear lights.

SLEM 2.4"

MAIN FEATURES

- 2.4" linear aperture.
- Diffused optical cover / Grille cover available.
- High light efficacy DLC Standard ≥ 120lm/w.
- Up and down lighting.
- Easy to connect multiple fixtures for scalable continuous run.
- Quick and easy installation with adjustable suspension wire spacing.

Input Wattage 20W 40W 60W 2FT 4FT 6FT	Delivered Lumens 2400lm-7200lm
Input Voltage 220-240V / 120V-277V input, 50-60Hz	Light Color Static White: 3000K, 4000K, 5000K Color Management: CWG
Dimming Control On-off, 0/1-10V(1%), DALI(1%), CASAMBI	Color Quality CRI 80+/90+, SDCM≤5

ATRO 1"

This Atro 1-inch linear series features ultra-low-glare lighting solutions designed for maximum visual comfort. The durable aluminum housing compliments a sleek aesthetic, perfect for upscale residential, commercial and hospitality interiors.

UGR≤8.8

Innovative optics ensures very low UGR while guaranteeing >120lm/W.

UGR ≤ 3.2 with grille cover.

- 20°, 40° Spot
- 60° Flood
- 20°x20° Rectangular

1-Inch Ultra-Slim Linear Lighting

Experience the elegance of 1-inch ultra-slim linear lighting, blending seamless design with brilliant illumination.

- 100° Wide flood
- Up/Down Light

Time-saving Installation

ATRO 1"

MAIN FEATURES

- Ultra narrow 1" width.
- Diffused optical cover / Grille cover available.
- High light efficacy 120lm/w(Grille).
- UGR<8.8(Grille) For visual comfort.
- Easy to connect multiple fixtures for scalable continuous run.
- Quick and easy installation with adjustable suspension wire spacing.

Input Wattage 25W 30W 50W 3.15FT 3.94FT 5.91FT	Delivered Lumens 1800lm-3600lm(PC Diffuser), 3300lm-4950lm(Grille)
Input Voltage 220-240V / 120V-277V input, 50-60Hz	Light Color Static White: 2700K, 3000K, 3500K, 4000K, 5000K
Dimming Control On-off, 0/1-10V, DALI	Color Quality CRI 80+, SDCM≤5
Mounting Options  Pendant	Beam Optics Grille Cover:  20°, 40° Spot  60° Flood  20°x20° Rectangular PC Diffuser:  100° Wide flood
Size L: 3.15FT / 3.94FT / 5.91FT (960/1200/1800mm) W: 1inch (26mm) H: 3inch (77mm)	Lighting Types  Downlight
Finishes  White  Black  Custom Color	Optical Accessories None
Warranty 5 year limited warranty	Lumen Maintenance 50000h@80%(L80)

ARC 2.75"

The series features unique dual-level control, allowing users to select from a diverse range of independently controllable direct and indirect light distributions, creating light both visually pleasing and comfortable.

It fits multiple ceiling types, includes suspended, recessed, wall, surface. Available in lengths of 2', 3', 4', 6', 8', and continuous runs. Perfect for commercial open offices, private offices, conference rooms, corridors, educational facilities, and more.

Optical Lens

Seamlessly integrate ARC linear with a variety of lens options to create a lighting solution tailored to your vision.

CCT & Wattage Switch

Allows the end user to select between wattage and CCT (3000K, 3500K or 4000K) at the time of installation with a 3 position switch.

Sensor Controls

Bluetooth mesh control for Smart Loop system for easy and prices adjustment

OVEGA Cylinder

In versions with different light solutions, OVEGA covers high performance accent lighting with very narrow beam 6°, different interchangeable beam lens & different optical accessories, flood lighting of exhibits, beam angle adjusting from narrow to wide, wall washing and projection.

Except versatile light solutions, OVEGA is also a complete family with different installation methods (Track-mounted, Pendant, Surface-mounted and Wall-mounted). So, if you have an environment where ask for different light solutions & different installation methods, OVEGA family will be a great choice to get a unified impression.

OVEGA Cylinder Series

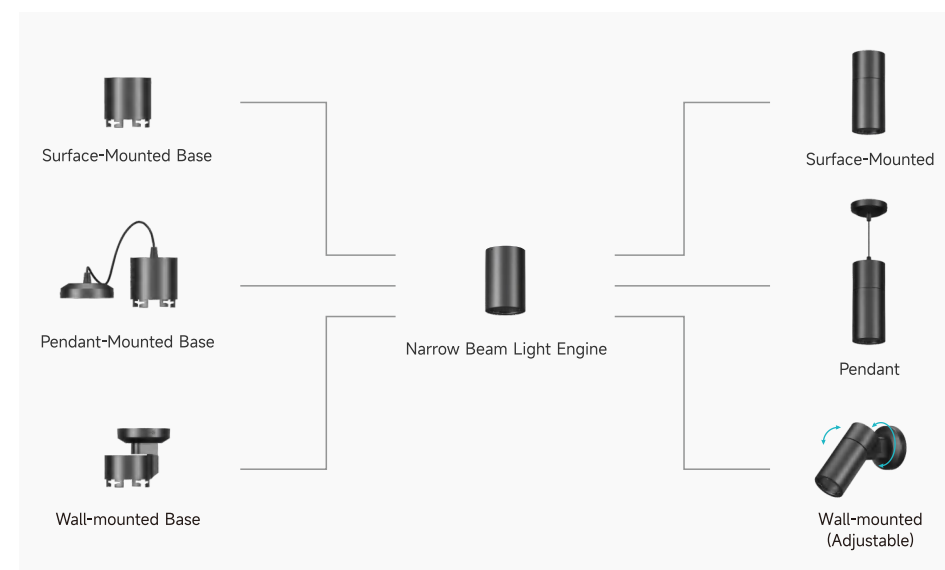

Optical Accessories

Can be dressed in 4 kinds of optical accessories to enhance the visual quality, reduce glare and cut off the light.

Excellent Modular Combination Concept

OVEGA-Narrow Beam

MAIN FEATURES

- Stylish and compact design with integrated driver.
- Very narrow beam 6° with quality light distribution.
- Simply adding extra optical accessories, the light shape can be changed to square, rectangular, line.....
- Use OVEGA family to get a unified impression in one environment.

Input Wattage 10W	Delivered Lumens 586lm
Input Voltage 220-240V / 120V / 277V input, 50-60Hz	Light Color Static White: 2700K, 3000K, 4000K, 5000K
